Rob Taylor of is running as the Libertarian candidate for US Congress in Wisconsin's 7th district.

Issues I deem important enough to fight for:

- Robust National Defense
- Protecting Veterans
- Full "Bill of Rights" protection
- Abolish 16th and 17th Amendments – Taxes and Senators
- Keep Your Money in Wisconsin
- US Congress Printing Money Through the Treasury
- Pay off Debt - Government Control Money by the People
- Take Cannabis and Hemp off of Federal List – States Determine
- One Bill tied to the Constitution at a time – One Bill, One Vote
- States' Rights – Full Bill of Rights
- Get the UN off America soil and the US out.
- States Determine Drinking age
- Protect US borders
- Zero Tolerance for Illegal Immigration – Fix Program
- Smaller government – defund agencies not approved in Constitution
- E-Congress – It's Time has Come
- Term Limits – Total support for proposed 28th amendment
- Balanced Energy and Environment Policy for America - Not DOE

Help once again to get the government at a level where we can believe what it is telling us
